Fraud Warning

Any person who knowingly and with intent to defraud any insurance company or another person files an application for insurance containing any materially false information, or conceals, for the purpose of misleading, information concerning any fact material thereto, commits a fraudulent insurance act, which is a crime and subjects the person to criminal and (NY: substantial) civil penalties. In Maine and Virginia, insurance benefits may also be denied.

I understand that in order to underwrite professional liability insurance, the Company must have access to information concerning my personal and professional life. I hereby authorize and direct any medical society, medical professional, hospital, residency program, insurance company, underwriter, insurance agent or other entity to furnish any information concerning me or my medical practice which the Company may request. I understand that any policy issued will rely on the truth of the statements and representations I have made herein and that misrepresentations that are fraudulent, or such that the Company would not have issued the policy if the true facts had been known, may result in a denial of coverage for any claim which may be made under this insurance.
